

BELFAST

YOUTH CUP

Official Programme
2022

Welcome

Hello and welcome to the 2022 Belfast Youth Cup organised by Playing for the Future CIC. 2022 will officially be year three of the tournament. This year we will welcome over 110 teams, an increase of over 90 teams since year one of the event. Great progress but yet we are only beginning.

This year we have use of four magnificent venues across the city of Belfast, including two stadiums. We anticipate that this event will become one of the major youth tournaments in Europe.

Of course all of this would not be possible without the hard work and support from various volunteers and organisations. A huge thank you to the clubs for their support also.

I hope you enjoy the event and more importantly the children have a memorable experience.

Yours in Sport,

Thomas McStravick

Founder & Managing Director

TRAIN 2B SMART

**FREE MASTERCLASS WITH
FORMER MANCHESTER UNITED &
NORTHERN IRELAND FOOTBALLER
PAT MCGIBBON**

SUNDAY 7TH AUGUST

&

MONDAY 8TH AUGUST

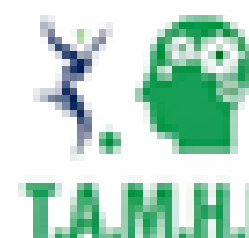

Pat McGibbon will host a series of engaging Train 2B Smart masterclasses for coaches and parents at the Belfast Youth Cup.

Attendees at these informal workshops will have the opportunity to discuss with Pat the links between young people's personal growth and footballing development.

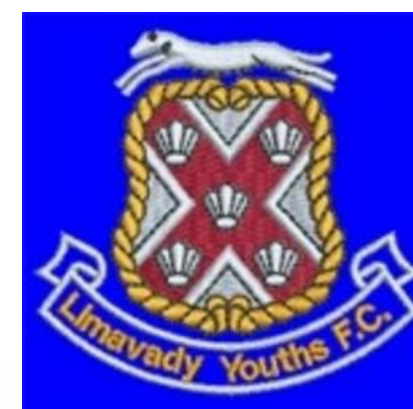

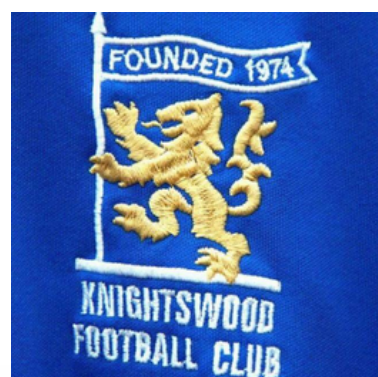

A qualified physiotherapist, he will draw on his own knowledge of sports science – as well as his experiences of playing and coaching – to outline ways in which parents and coaches can best support the wellbeing of young players, in training and on the sidelines.

To register your interest email Matthew
